[If the owner or applicant is a non-individual entity required by statute or rule to register with the State of Florida Secretary of State, it must be registered, and the person signing the application must have the legal authority to bind the entity with the terms, conditions, and liabilities associated with such application and subsequent permit, if issued. Further, any such entity must maintain their registration with the State of Florida Secretary of State for the duration of the permitted activities.]

By signing this application form, I am applying for the permit according to the supporting data and other incidental information filed with this application. I am familiar with the information contained in this application and represent that such information is true, complete and accurate. I agree to provide entry to the project site for employees of the Central Broward Water Control District and employees of the District Engineer's company with proper identification or documents from the Central Broward Water Control District for the purpose of making preliminary on-site analyses. Further, I agree to provide entry to the project site for such employees to monitor permitted work if a permit is granted. I understand this is an application and not a permit, and that work prior to approval is a violation. I understand that this application and any permit issued pursuant thereto does not relieve me of any obligation for obtaining any other required federal, state, water management district, or local permit prior to commencement of construction. I agree to operate and maintain the permitted system unless the District authorizes transfer of the permit to a responsible operation entity.
